

Be the one to save a life.

PLEASE READ!!!

Mia was diagnosed in January 2009 with severe Aplastic Anemia, a rare type of bone marrow failure. The disease prevents bone marrow from producing enough red and white blood cells and platelets. She needs platelets to clot blood and she needs red cells for energy and white cells for her immune system—she has none of those. Her body is not making any of them.

The next step is a bone marrow transplant. Please join the Be The Match Registry to give Mia and many others in need like her a second chance at life.

JOIN THE MARROW REGISTRY

Now is your chance to join the Be The Match Registry ONLINE!

Visit: www.bethematch.org Click: Join Now
When asked to provide a "Promo Code", please enter **Match4Mia**

Be the one to Save a Life!!!

For more information or if you have any questions please contact Account Executive – Raquel Amezcua – City of Hope 800-535-7119 x61599

To join, you only need to be between the ages of 18 and 60, be willing to donate to any patient in need, and meet the health guidelines.

Please Read Below:

1 (800) MARROW-2 BeTheMatch.org

Joining the Be The Match Registry is easy; just complete the online consent form by providing your contact information and a small medical evaluation. Within one week a swab kit will be mailed to you with instructions to provide your tissue typing. When completed please mail in the swab kit immediately for testing. That's it to join. You will remain in the National Registry until your 61st birthday and will only be contacted and asked to donate either Marrow or Stem Cells if you become a match for a patient in need.
